CLUB NOTES

On twenty-five previous occasions Bury have provided the opposition at Deepdale, fifteen in League One and the other ten in the Second Division. For a long time Deepdale was a poor hunting ground for Bury points-picking and in nineteen visits up to 1930-31 season, they had recorded only one victory on this ground — this being in 1908-09.

A big change came over the scene after 1931 with four out of the last six Bury visits providing them with victories, one of which was in our promotion season of 1933-34 when, with only four games to go to the end, the "Shakers" fully lived up to their name on April 14th, 1934, with a shock 3-0 win, our biggest home reverse of the season and at that time seemed to ring the death knell to our hopes of going up with Grimsby Town.

Last here on November 18th, 1961 — Bury, newly promoted to Division Two and North End newly relegated — our first Deepdale clash since August, 1950. In keeping with the modern trend of Bury results at Deepdale, they improved on an already impressive record. Despite an early goal by Dawson after only three minutes, snappy replies by Bury in the 35th and 39th minutes sufficed to take both points.

North End : Kelly ; Cunningham, Ross ; Barber, Singleton, Smith ; Humes, Wilson, Dawson, Biggs, Thompson. *Bury :* Adams ; Robertson, Conroy ; Turner, Bunner, Atherton ; Calder, Holden, Watson, Jackson, Hubbard.

To date, the Bury record at Deepdale is :— won 5, drawn 5 and lost 15.

THE BURY CLUB—*Historical*

Founded in 1884, and in its 65th year as a limited company, the popularly named "Shakers" club are back in the Second Division pastures after an absence of four years.

Our visitors joined the Second Division of the League in 1894-95 and won the championship at the very first attempt with a nine points lead over Notts County. Ten years later they escaped descent back to Division Two by virtue of an increase in the number of clubs in the top flight.

However, in 1911-12 they went below with North End as companions in distress, promoted again in 1923-24 and managed to retain senior status for five seasons before relegation came once more to Gigg Lane in 1928-29 followed by an even more crushing disaster in 1957 when Bury found themselves in Third Division circles for the very first time in the East Lancashire clubs long and chequered history.

Two F.A. Cup semi-finals, two finals (both won) one being the still record Cup Final score of 6-0 against Derby County in 1903, five of the six being scored in the second half at Crystal Palace. In this competition Bury equalled North End's record of going through to win the Cup without losing a goal in the process.
